

We can have your artwork selected, framed and installed in a short period of time making this an affordable solution to acquiring artwork for your organization.

Our clients have found the rental option allows for flexibility, diversity, regular change, experimental options, discussion, more challenging pieces, exciting artwork, assorted media, and most important the option to discover new and different possibilities.

The cost for this service includes installation, delivery and a pre-selected group of paintings, prints and posters designed to go with your décor and esthetic taste.

If you want to portray a forward thinking company on the cutting edge of technology or leading the pack in pharmaceutical research or telling your clients that you have been in business for decades, we can deliver that message. And, we can let your clients know what you stand for through the art that you display on the walls of your company.

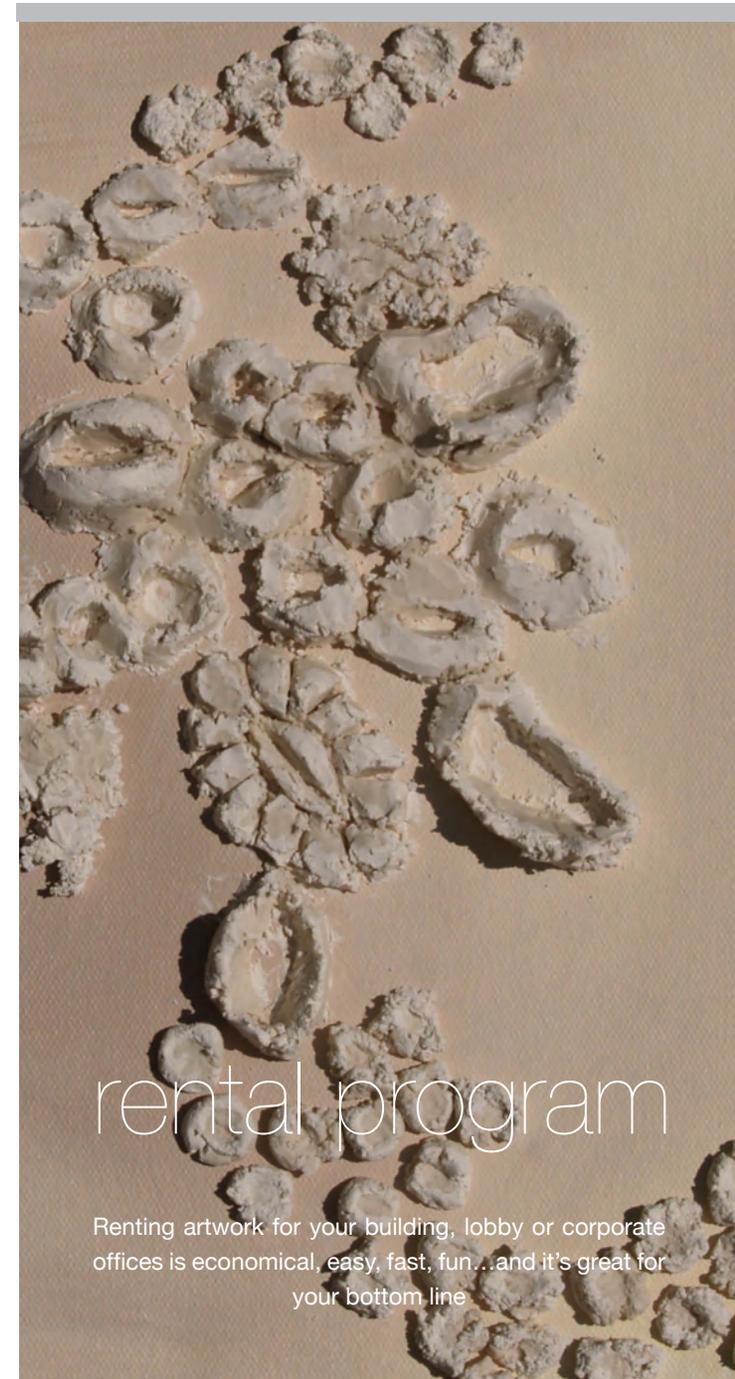

Creiger Group has been in business since 1973. We have provided artwork to banks, financial institutions, doctor's offices, architectural offices, restaurants, hotels, hospitals, and all kinds of work spaces. We pride ourselves on providing the best quality artwork at affordable prices.

Art Consultants to business, industry, hospitality and healthcare, we provide the highest quality art work for your budget, selecting just the right pieces for your space to make a statement about your company no matter what the budget.
